

Young Talent Program- Project Manager

Are you a young newly graduated or a final year student
in **Engineering** disciplines?

Are you eager to work in a multinational company, with the chance to have
an experience in one of our affiliates present in
more than 170 countries all over the world?

Do you have a very good command of English language, and have you had a
study or job experience abroad?

If you answered yes to these questions, we are looking for you!

A Young Talent who will grow in the role of
Project Manager

During the program, you will be guided from a personal tutor through a journey within our R&D unit and you will have the chance to improve continuously your competences and to gain both practical and theoretical experience.

Tetra Pak will build with you and for you a training plan and career path that will include:

- **2 years training on the job and rotations plan**
- **Cross-functional experiences with clear deliverables**
- **International exposure and experience**

At Tetra Pak in Modena, Italy, you will find a multinational and stimulating environment and you will have the chance to learn updated working methods and enjoy multicultural and structured surroundings.

As a **Young Talent - Project Manager** you will contribute to the successful delivery of new product development projects (related to Tetra Pak machines and equipments), from concept to full commercial release.

In this position your main activities will be:

- Integrate the different activities to deliver the project scope and objectives
- Develop, communicate and manage project scope, objectives and deliverables based on pre-defined stakeholders' requirements
- Define, plan and manage systematic follow-up activities to meet project requirements through employing necessary processes, methods and tools

Who are you?

You have a University degree in **Engineering** disciplines. Experience or knowledge of Project Management techniques will be considered as a plus.

Experience abroad with a student exchange program or other international experience will be considered as a merit.

As a person you are a true team player with excellent communication skills and the ability to create and utilise a broad network. You are able to motivate and influence people by using informal authority and you are strongly motivated to learn. Furthermore you have an analytical ability and a structured approach to tasks and problem definition.

If you are interested, please submit your application on Tetra Pak website:
<https://tetrapak.taleo.net/careersection/2/jobdetail.ftl?job=MOD0000C3>

Male or Female applicants to the position are appreciated.

Only English applications will be considered.

Please submit your application online not later than April, 30th 2016.

The program will start at Modena (Italy) on September 2016.
